

8th annual Conference on Health & Humanitarian Logistics

AUGUST 29-31 | Atlanta, GA

Georgia Institute of Technology #2016HHLConf

The HHL Conference brings together speakers and attendees from non-government organizations (NGOs), industry, government, military, and academia in a forum to identify common challenges, share innovative research, and prioritize strategies, policies, and investment. The agenda features plenary panel discussions, interactive workshops, poster sessions, and ample opportunities for networking.

2016 panels will address:

- **Strengthening Public Health Systems**
- **Supply Chain Complexities in Refugee Crisis Response**
- **Matching Supply with Demand in Emergency Response**

2016 Speakers include representatives from:

American Red Cross, CARE, The Carter Center, Centers for Disease Prevention & Control (CDC), The Coca-Cola Foundation, Crown Agents UK (CAIPA), GAVI- The Vaccine Alliance, Humanitarian Logistics Association (HLA), Imperial Health Sciences, John Snow, Inc., Llamasoft, The Malaria Consortium, Management Sciences for Health (MSH), Médecins Sans Frontières (MSF), Ministry of Health of Liberia, Partnership for Supply Chain Management (PfSCM), People the Deliver Initiative (PtD), Pfizer, Task Force for Global Health, UN Development Programme (UNDP), UN High Commission for Refugees (UNHCR), UPS Foundation, USAID, Village Reach, William Davidson Institute at the University of Michigan, World Vision International, Zipline, and others.

To EXHIBIT YOUR ORGANIZATIONS SOLUTIONS OR TECHNOLOGY, please apply online at chhs.gatech.edu/conference. A limited number of discounted registration rates are available for the first 2 employees of each NGO as well as limited support for students with accepted posters. For further information or to **SPONSOR** the conference, email Meghan Smithgall msmithgall@isye.gatech.edu.
