

7th Annual HHL Conference, South Africa

The **Health and Humanitarian Logistics Conference** brings together speakers and attendees from non-government organizations (NGOs), industry, government, military, and academia to identify challenges and opportunities in global health humanitarian operations and long-term economic development, share innovative research, and establish priorities for NGOs, corporations, and government in terms of strategies, policies, and investment.

Plenary Panel Topics:

- **Strengthening Public Health Systems in Developing Countries**
- **Supply Chains for Ebola Response and Communicable Diseases**
- **Planning for and Responding to Complex Humanitarian Emergencies**
- **Infrastructure and Capacity Building: Start Today to Be Ready Tomorrow**

Speakers include representatives from:

Bill and Melinda Gates Foundation, Clinton Health Access Initiative, The Coca-Cola Company, Family Health International 360, International Committee of the Red Cross, Imperial Health Sciences, IMRES Medical Solutions, Johnson & Johnson, Last Mile Health, McKinsey & Company, Medic Mobile, Médecins Sans Frontières, North Star Alliance, OXFAM, People that Deliver, The Global Fund to Fight AIDS, Tuberculosis and Malaria, UNICEF, UN Mission on Ebola Emergency Response, UN World Food Programme, UPS, USAID, and World Health Organization.

The program also includes a number of interactive **workshops** and **poster sessions** on innovative research. To submit a poster or find more information including conference proceedings from previous years, please visit humanitarian.gatech.edu/conference or email us at: humlog@isye.gatech.edu.

To register or submit a poster, please visit scl.gatech.edu/humlog2015/registration/. A limited number of discounted registration rates are available for groups and employees of non-government organizations as well as limited financial support for students with accepted poster submissions.
