

NANCEY GREEN LEIGH, FAICP
Professor
School of City and Regional Planning
Georgia Institute of Technology
Atlanta, GA 30332-0155
404 894-2350/9839 nleigh@coa.gatech.edu

EMPLOYMENT HISTORY

Director and Professor, PhD Program of School of City & Regional Planning, College of Architecture, Georgia Institute of Technology, 2010-present.

Elected Fellow of the American Institute of Certified Planners, 2008.

Professor, City & Regional Planning Program, College of Architecture, Georgia Institute of Technology, 2003 – present.

Associate Professor, City & Regional Planning Program, College of Architecture, Georgia Institute of Technology, 1994 – 2003.

Adjunct Professor, Public Policy, Ivan Allen College, Georgia Institute of Technology, 2002--.

Visiting Research Fellow, Town & Regional Planning, University of Sheffield, Sept.-Dec., 1995.

Associate Professor, Department of Urban Planning, University of Wisconsin-Milwaukee, June-Aug., 1994.

Assistant Professor, Department of Urban Planning, University of Wisconsin-Milwaukee, Aug. 1989-May 1994.

Research Specialist, Center for Real Estate and Urban Economics, University of California-Berkeley, Dec. 1987-Mar. 1988.

Editor, *Berkeley Planning Journal*, University of California-Berkeley, Aug. 1985-Aug. 1986

Research Specialist, Rural Development Policy Project, Ford Foundation/University of California-Berkeley, Aug. 1981-Aug. 1984.

Administrative Analyst, Affirmative Action Office, Vice-President of Agricultural and University Services, University of California System, Feb. 1980-July 1981.

Employment Coordinator, Alamance County Employment and Training Administration, Burlington, NC,

Outreach and Employment Counselor, Blue Ridge Community Action Agency, Lenoir, NC, June 1975-Mar. 1977.

EDUCATION

Ph.D. City & Regional Planning, University of California at Berkeley, 1989. Regents Fellow, Woodrow Wilson Fellow, NSF Dissertation Grant.

Masters in Economics, University of California at Berkeley, 1984.

Masters in Regional Planning, University of North Carolina at Chapel Hill, 1979.

B.A. in Urban Studies, University of North Carolina at Chapel Hill, 1975.

RECORD OF ACTIVITIES AS A TEACHER AND EDUCATOR

Student Awards

- American Planning Association Economic Development Division, Honorable Mention to Evan Robertson, "Hacker Spaces: User-Led Innovation and Economic Development." 2010.
- Georgia Planning Association Student Project Award for "City ReAssembly: When the Auto Plant Closes, Redevelopment Opportunities for Doraville." 2007.
- Lynn Patterson, John Templar award for best doctoral research career, 2007.
- Georgia Planning Association Student Project Award for "Fort Valley – Making Connections," a brownfield community redevelopment project. 2003.
- Bret Marchant, Georgia Department of Industry, Trade and Tourism, Best paper award for "The UK Automotive Industry and Georgia's Potential to Attract," 2002.
- Sarah L. Coffin, John Templar award for best doctoral research career, 2002.
- Honorable Mention in the 2000 American Institute of Certified Planner student awards competition to the Winter 1999 community problems class on "Carpet Recycling as an Inner City Revitalization Strategy."
- Winner in the 1994 American Institute of Certified Planner student awards competition to 1994 community problems class on "Riverworks," an industrial redevelopment project.

Graduate Student Dissertation, Thesis and Masters Project Advising

Ph.D. Principal Advisor

Jeong-Il Park
Nathanael Hoelzel
Ning Ai
Taelim Choi
Thomas J. Forrest
Raymond White

Mitch Moody, Dissertation: "Georgia's Structurally Unemployed Workers: Do State Job Training Programs Help?" December 2008.

Lynn Patterson, Dissertation: "Local Economic Development Agency Support for Construction & Demolition Recycling," May 2007. (recipient of College of Architecture Templar Award for best research)

Sugie Lee, Dissertation: "Analyzing Metropolitan Growth Patterns of the Inner-Ring Suburbs: Insights for Smart Growth," April 2005. Co-Advisor with Steven L. French.

Sarah Coffin, Dissertation: "The Brownfield Reality Check: A Study of Land Value and the Effects of Brownfields on the Location of Section 8 Housing." May 2002. (recipient of College of Architecture Templar Award for best research; funded by US HUD Doctoral Fellowship & Lincoln Institute for Land Policy Dissertation Fellowship.)

Ph.D. Dissertation Committee Member

Dirk Libaers, (Public Policy) "Three Essays on Serial Innovator Firms and Geographic Clustering." December 2008.

Rhonda Culp (Phillips), Dissertation: "A Test of Business Growth Through Analysis of a Technology Incubator Program." 1996.

Ph.D. Comprehensive Exam Committee Member

Lynn Patterson, Committee Chair, Li Tang (Public Policy), Luciano Kay (Public Policy), Kendall Deas (Public Policy), Aselia Urmanbetova (Public Policy), Cathy Brice (Public Policy), Kathy Holmes-Bass (Public Policy), Wanda Spivey (Public Policy), Sonia Gatchair (Public Policy), Eric Sundquist (Qualifying paper), Jay Forrest (Qualifying paper), Pratik Mhatre (Public Policy)

Master Thesis Design Project or Thesis Option Paper Advisor

Jodi Mansbach, "Reconnecting Atlanta to its Urban Waterfront: The Economic Development Potential of The Chattahoochee River," May 2010.

Clayton Griffin, Brownfields and LEED-ND: A Complex and Collaborative Process, December 2010.

Invited Lectures and Seminars (Selected 1994-2010)

"Incentive Shift: Moving from Traditional to Innovative Economic Development Strategies," Atlanta Regional Commission Community Planning Academy, December 9, 2010.

Planning Local Economic Development Public Lecture, GT School of City and Regional Planning Faculty Book Series, February 24, 2010.

Washington State Brownfields Conference, Tacoma WA. October 25, 2008.

Oral and Written Testimony on Re-Authorization of the National Brownfields Legislation, before the U.S. House Subcommittee on the Environment, February 14, 2008.

University of Southern California – NSF Symposium on Sustainable Industrial Systems, Nov. 6-7, 2003.

Brookings Institution roundtable on Flint, Michigan's Vacant Land Reform Plan, December 13, 2001.

Southern Legislatures Conference, August 8th, 2000.

Florida 3rd Annual Brownfields Conference, August 21st, 2000.

Lincoln Institute on Land Policy, June 8th, 2000.

Department of Geography, University of Sheffield, October 1996.

Department of Town & Regional Planning, University of Sheffield, November 1995.

Center for Urban and Regional Studies, Sheffield-Hallam University, December 1995.

RESEARCH and SCHOLARSHIP

External Proposals and Grants Funded

National Science Foundation, Office of International Studies and Education, "Designing E-Waste Material Flow Systems for Sustainable Regional Economic Development: Exploring U.S. and Chinese Approaches," International Research Workshop, August 1-3, 2010 in Guangzhou, China. Principal Investigator. \$61,096.

Georgia Conservancy Blueprints Studio, "A Live-Work-Play Approach to Upward Mobility for Neighborhood Planning Unit G," August-December, 2010, Principal Investigator. \$17,000.

The Energy Foundation, "Energy and Economic Development in the Southeast," part of GT Enterprise Innovation Institute research team, May 2010-August 2010.

"An Atlanta Plan for Industrial Land and Sustainable Industry" Studio, August – December 2009, Atlanta Development Authority. Principal Investigator. \$10,000.

"Friendship Village Studio." August – December 2008. Minerva Corporation. Principal Investigator. \$25,000.

- National Science Foundation, Collaborative Research Grant “Materials Flow Modeling in Sustainable Industrial Systems Within Urban Centers,” June 2006 – August 2011. Principal Investigator, co-investigators: Steve French, Bert Bras, John Muzzy, and Joyce Cooper, University of Washington, Seattle, and Randall Jackson, University of West Virginia. Total \$1.7 million (GT share is \$1.53 million).
- National Science Foundation, Planning Grant: “Materials Flow Modeling in Sustainable Industrial Systems Within Urban Centers,” August 2004-December 2006. Co-Principal Investigators – Nancey Green Leigh and Catherine Ross, Senior Researchers -- Steve French, Bert Bras, Matthew Realff, \$115,000.
- University of Louisville, “C & D Recycling for Economic Development,” Principal Investigator, with Lynn Patterson, August 2003. \$8,000.
- “A Framework for Brownfield Waterfront Redevelopment,” January 2003 to December 2003, Regional Plan Association and New School University, NYC. Principal Investigator.
- “Integrating Manufacturing and Ecological Process Models for Ecosystem Impact Valuation: A Problem-Based Learning Approach.” October 2002-September 2003.
- Principal Investigator – Matthew Realff, Co-investigators – Berdinus Bras, Carol Carmichael, Jane Ammons and Nancey Green Leigh. National Science Foundation Premise Grant. International and national significance.
- “Ft. Valley Brownfield Redevelopment Studio.” March 2002 to December 2002.
- City of Ft. Valley, GA. Principal Investigator; Richard Dagenhart and John Skach, co-investigators. \$30,000.
- “A State Agenda to Promote More Effective Urban Real Estate Markets.” November 2001 to April 2002. Brookings Institution, Washington, DC. Principal Investigator.
- “Modeling Brownfield Impacts on Housing Prices: The Neglected Element of Affordable Housing.” December 2000 to December 2001. Fannie Mae Foundation, Washington, DC. Principal Investigator. \$10,000.
- “The Brownfields Reality Check: A Study of Land Value and the Effects of Brownfields on the Locations of Section 8 Households, July 2001 to September 2003,
- U.S. Department of Housing and Urban Development. Principal Investigator for dissertation fellowship of Sarah L. Coffin
- “The Economic Development Potential of Georgia’s Biotechnology Industry,” August 2000 to February 2001. Georgia Department of Industry, Trade, and Tourism and Georgia Tech Economic Development Research Program. Principal Investigator, Joy Wilkins, co-investigator. \$50,000.
- “Moultrie Brownfield Redevelopment Studio and In-town Industrial Park Design,” August 2000 to June 2001, City of Moultrie. Principal Investigator, Richard Dagenhart, co-investigator.
- “Assessing Moultrie, GA’s Brownfield Problem” August 1998 – March 1999. City of Moultrie. Principal Investigator with Assoc. Prof. Richard Dagenhart.
- "Enabling Land Bank Authorities to Accept Brownfield Properties" September 1998 - December 1999. Lincoln Institute of Land Policy, Cambridge, Mass. Principal Investigator.
- “The Influence of New Flexibility and Technology Requirements on Weak Commercial Property Markets” July 1997 - June 1998. Lincoln Institute of Land Policy, Cambridge, Mass. Principal Investigator.
- "Exploring Environmental Constraints to Improving Community Health and Development: Phase 1" (1995)

Centers for Disease Control, Principal Investigator.

U.S. Department of Housing and Urban Development. Director of Economic Development on a multi-member, two year grant .1997-1998,

Canadian Embassy Faculty Research Grant. "The Canada-U.S. Free Trade Agreement's Impact on Economic Development Linkages between Wisconsin and Ontario." Principal Investigator. 1990-1991

Joseph Entertainment Company. "The Economic Impacts of the Alpine Valley Music Theatre" With G. W. Page and S. B. White. 1989-1990.

Internal Proposals and Grants Funded

Georgia Tech Transportation Research Center, "Aerotropolis Atlanta," co PI with Bert Bras, June \$150,000. 2010-July 2011.

Georgia Tech School of City and Regional Planning, "Women, Innovation and Entrepreneurship in the Clean Tech Industry," with Lynn Thurston, \$3,000. 2010.

Georgia Tech Foundation proposal, Research assistant for *Planning Local Economic Development* manuscript. \$4,250. 2008.

Georgia Tech Foundation, "Everyday Neighborhoods from Urban Nowhere Zones," with Catherine Ross. \$ 9,752. 2006.

Focused Research Project ECLiPS: Expanding Closed Loops in Production Systems, with Beril Toktay (COM), Mark Ferguson (COM), Bert Bras (ME), Matthew Realff (CHE), Jane Ammons (ISYE). \$30,000.

Georgia Tech Foundation, "Deconstruction in Local Economic Development: A Sustainable Approach to Urban Revitalization." Principal Investigator, July 2003 – June 2004.

Georgia Tech Foundation, "Framing a Long-Range Multi-Disciplinary Research Project for Inner City Recycling Technologies and Eco-Industrial Parks," Principal Investigator. July 2000-June 2001.

College of Architecture -- Georgia Tech, "Restructuring in the U.S. Woodworking Industry and Economic Impacts on Georgia" Principal Investigator.

Phase 1: (June-Dec. 1996) Analysis of recent trends in 12 woodworking industry sectors and future directions for COA Advanced Wood Products Laboratory planning purposes.

Phase 2: (July-December 1997) Survey of national and Georgia wood working firms.

Georgia Tech Foundation. "Industrial Control Technology and Employment Growth: An International Comparison of Economic Development Planning Challenges." Principal Investigator. 1995-1996.

University of Wisconsin Graduate School Research Grant. "Is Milwaukee's Service Economy Immune?" Principal Investigator. 1992-1993.

Individual Non-University Contracts and Grants

Book contract with Sage Publications, completed April 2009.

White paper on investing in brownfield redevelopment for AIG Global Investing, completed June 2003.

Book contract with Sage Publications, completed February 2002.

Advisor to development of Greyfields Tool Kit by Urban Collage for ARC, 2001.

Published Books

Planning Local Economic Development, 4th edition, Thousand Oaks: Sage Publications, 2010, with Edward J. Blakeley.

Economic Revitalization: Cases and Strategies for City and Suburb, Thousand Oaks: Sage Publications, March 2002, with Joan Fitzgerald.

Stemming Middle-Class Decline: The Challenges to Economic Development Planning, Rutgers, NJ: CUPR Press, 1994.

Articles/chapters in books

"North American Perspectives on Local and Regional Development," *Handbook of Local and Regional Development*, Andrew Pike, editor, Routledge Press, forthcoming, with Jennifer Clark.

"Planning, Urban Revitalization and Inner City: An Exploration of Structural Racism," in *The Urban and Planning Reader*," with Catherine L. Ross. Eugenie L. Birch, editor, New York: Routledge, 2009, pp. 21-28.
