

Get Ahead

lighten your load this summer

Top 3 reasons to take online courses this summer:

- 1 Get ahead and graduate on-time
- 2 Get into classes that normally fill up
- 3 Continue your studies during your co-op, internship or summer job

Summer online courses may not be taken in conjunction with on-campus classes or study abroad programs.

Georgia Tech Online

Registration opens **March 31**
Get the classes you need before they're gone
