*Sponsored by the Georgia Tech Student Center*

Looking for an opportunity to showcase your pride in Georgia Tech and spread the spirit of Homecoming all over campus? Here's your chance! The Homecoming Dec-A-Door Contest is a door decorating contest open to all campus departments.

## DECORATION THEME |

There are two decoration themes for your office to choose from: **(1) The Ramblin' 20s** and **(2) Beat WAKE FOREST**.

## DECORATION SCOPE |

We have seen in recent years that some offices are able to devote a whole team's efforts to a large scale decoration, while others are limited by time and personnel to just a single door. With that in mind, departments can choose to decorate either **(1) a single door** in their office or **(2) an entryway or vestibule**. Prizes will be awarded to the top scoring submission in each Decoration Scope category.
