

Health and Humanitarian Logistics

2017 Conference

9th Annual Conference on Health & Humanitarian Logistics

JUNE 7-9 | UN City, Copenhagen | #2017HHLConf

The 2017 HHL Conference brings together speakers and attendees from non-government organizations (NGOs), industry, government, academia, and foundations in a forum to identify common challenges, share innovative research, and prioritize strategies, policies, and investment.

The agenda features an opening **Keynote address** from **Dr. Rick Brennan, Director of Emergency Management at the World Health Organization (WHO)**, as well as plenary **panel discussions, oral presentations, interactive workshops, poster sessions** on innovative research, and ample opportunities for networking. Featured topics this year will focus on:

**Global Health Emergencies
Innovation and Influencing Markets
Supply Chain Strengthening**

2017 Speakers and presenters include representatives from:

Bill & Melinda Gates Foundation, Centers for Disease Control & Prevention, (CDC), Central Medical Stores Trust of Malawi, Chemonics International, DHL, Earthquake Reconstruction & Rehabilitation Authority (ERRA) Pakistan, GS1 Nigeria, Global Scientific Solutions for health, Imperial Health Sciences, John Snow Inc., Laerdal Global Health, Logistimo India, Medecins Sans Frontieres, National Medical Stores Uganda, National Primary Health Care Development Agency of Nigeria, Nexleaf Analytics, North Star Alliance, Partnership for Supply Chain Management, UCLA, Vienna University of Economics and Business, UNICEF Supply Division, UN World Food Programme, UPS, World Health Organization, USAID, and more.
