

A Discussion on the European Union with Mr. Jean-Luc Bald

First Secretary in charge of Space at the European Union Delegation to the United States of America

Please join the Sam Nunn School of International Affairs, the Center for European and Transatlantic Studies, and the Center for International Strategy, Technology, and Policy as they host **Mr. Jean-Luc Bald**. Mr. Bald is the First Secretary in charge of Space at the European Union Delegation to the United States of America. In his role, he works inter alia on cooperation between the European Union and the U.S., in particular for space-based navigation, Earth observation, space surveillance and tracking and space research. In his previous role, from 2008 to 2014, he worked on Galileo, Copernicus, European space policy, and defense and security industries within the European Commission's Directorate-General for Enterprise and Industry. Previously, he was at the European GNSS (Galileo) Agency in 2007.

March 25th, 12:20am - 1:10pm
Instructional Center, Room 111
Georgia Institute of Technology
