## Special Education Teaching Positions All Levels - ES, MS, HS

*diversity · professional learning · culture of excellence*

### **Autism**

Gwinnett County's autism program is like no other! We offer 5 levels of ASD.

- Level 1: Severe
- Level 2: Moderate
- Level 3: Mild
- Level 4: Resource
- Level 5: High-Functioning

Teachers receive level-specific support to best support teacher and student needs.

### **Interrelated**

Interrelated includes Resource/ Pull-Out or Co-Taught settings. Interrelated classes are offered at every GCPS school. Teachers gain valuable experience and training while supporting diverse populations of students.

### **ID**

Intellectual disabilities are addressed in a variety of settings including Mild ID, Moderate ID, and Severe/ Profound ID. Teachers receive ongoing support and resources to teach effectively in these settings.

### **EBD**

The GCPS Emotional Behavior Disorder program provides students with specialized instruction to support success in all settings. Teachers receive behavioral support and resources to effectively instruct students.
