

IMPROVE YOUR WAREHOUSE LAYOUT TO MAXIMIZE EFFICIENCY

DECEMBER 11, 2018
11:30 AM TO 1:30 PM

presented at Jackson County
Administrative Building, Jefferson, GA

Have you ever walked into your plant's warehouse and thought, "this could be organized better" or "if these items were moved over here, it would save us a lot of time?"

Please join the Georgia Manufacturing Extension Partnership (GaMEP) for a lunch-and-learn to:

- Teach you tips and tricks to make changes to your existing warehouse space for maximum efficiency
- Tap the knowledge and creativity of your team and make better up-front decisions
- Learn systematic methods for measuring and improving material flow, estimate floor space and capacity to support growth, and the factors in choosing the best plan for your plant

For more information or to register: <https://bit.ly/2xMvr3N>

Cost: \$15 per person (includes lunch)

Speaker: Lee Hales

Lee Hales is a professional education instructor for the Georgia Tech Supply Chain & Logistics Institute and President of Richard Muther & Associates.
