

Interest Meeting: Graduate Researchers In Nanotechnology (GRIN)

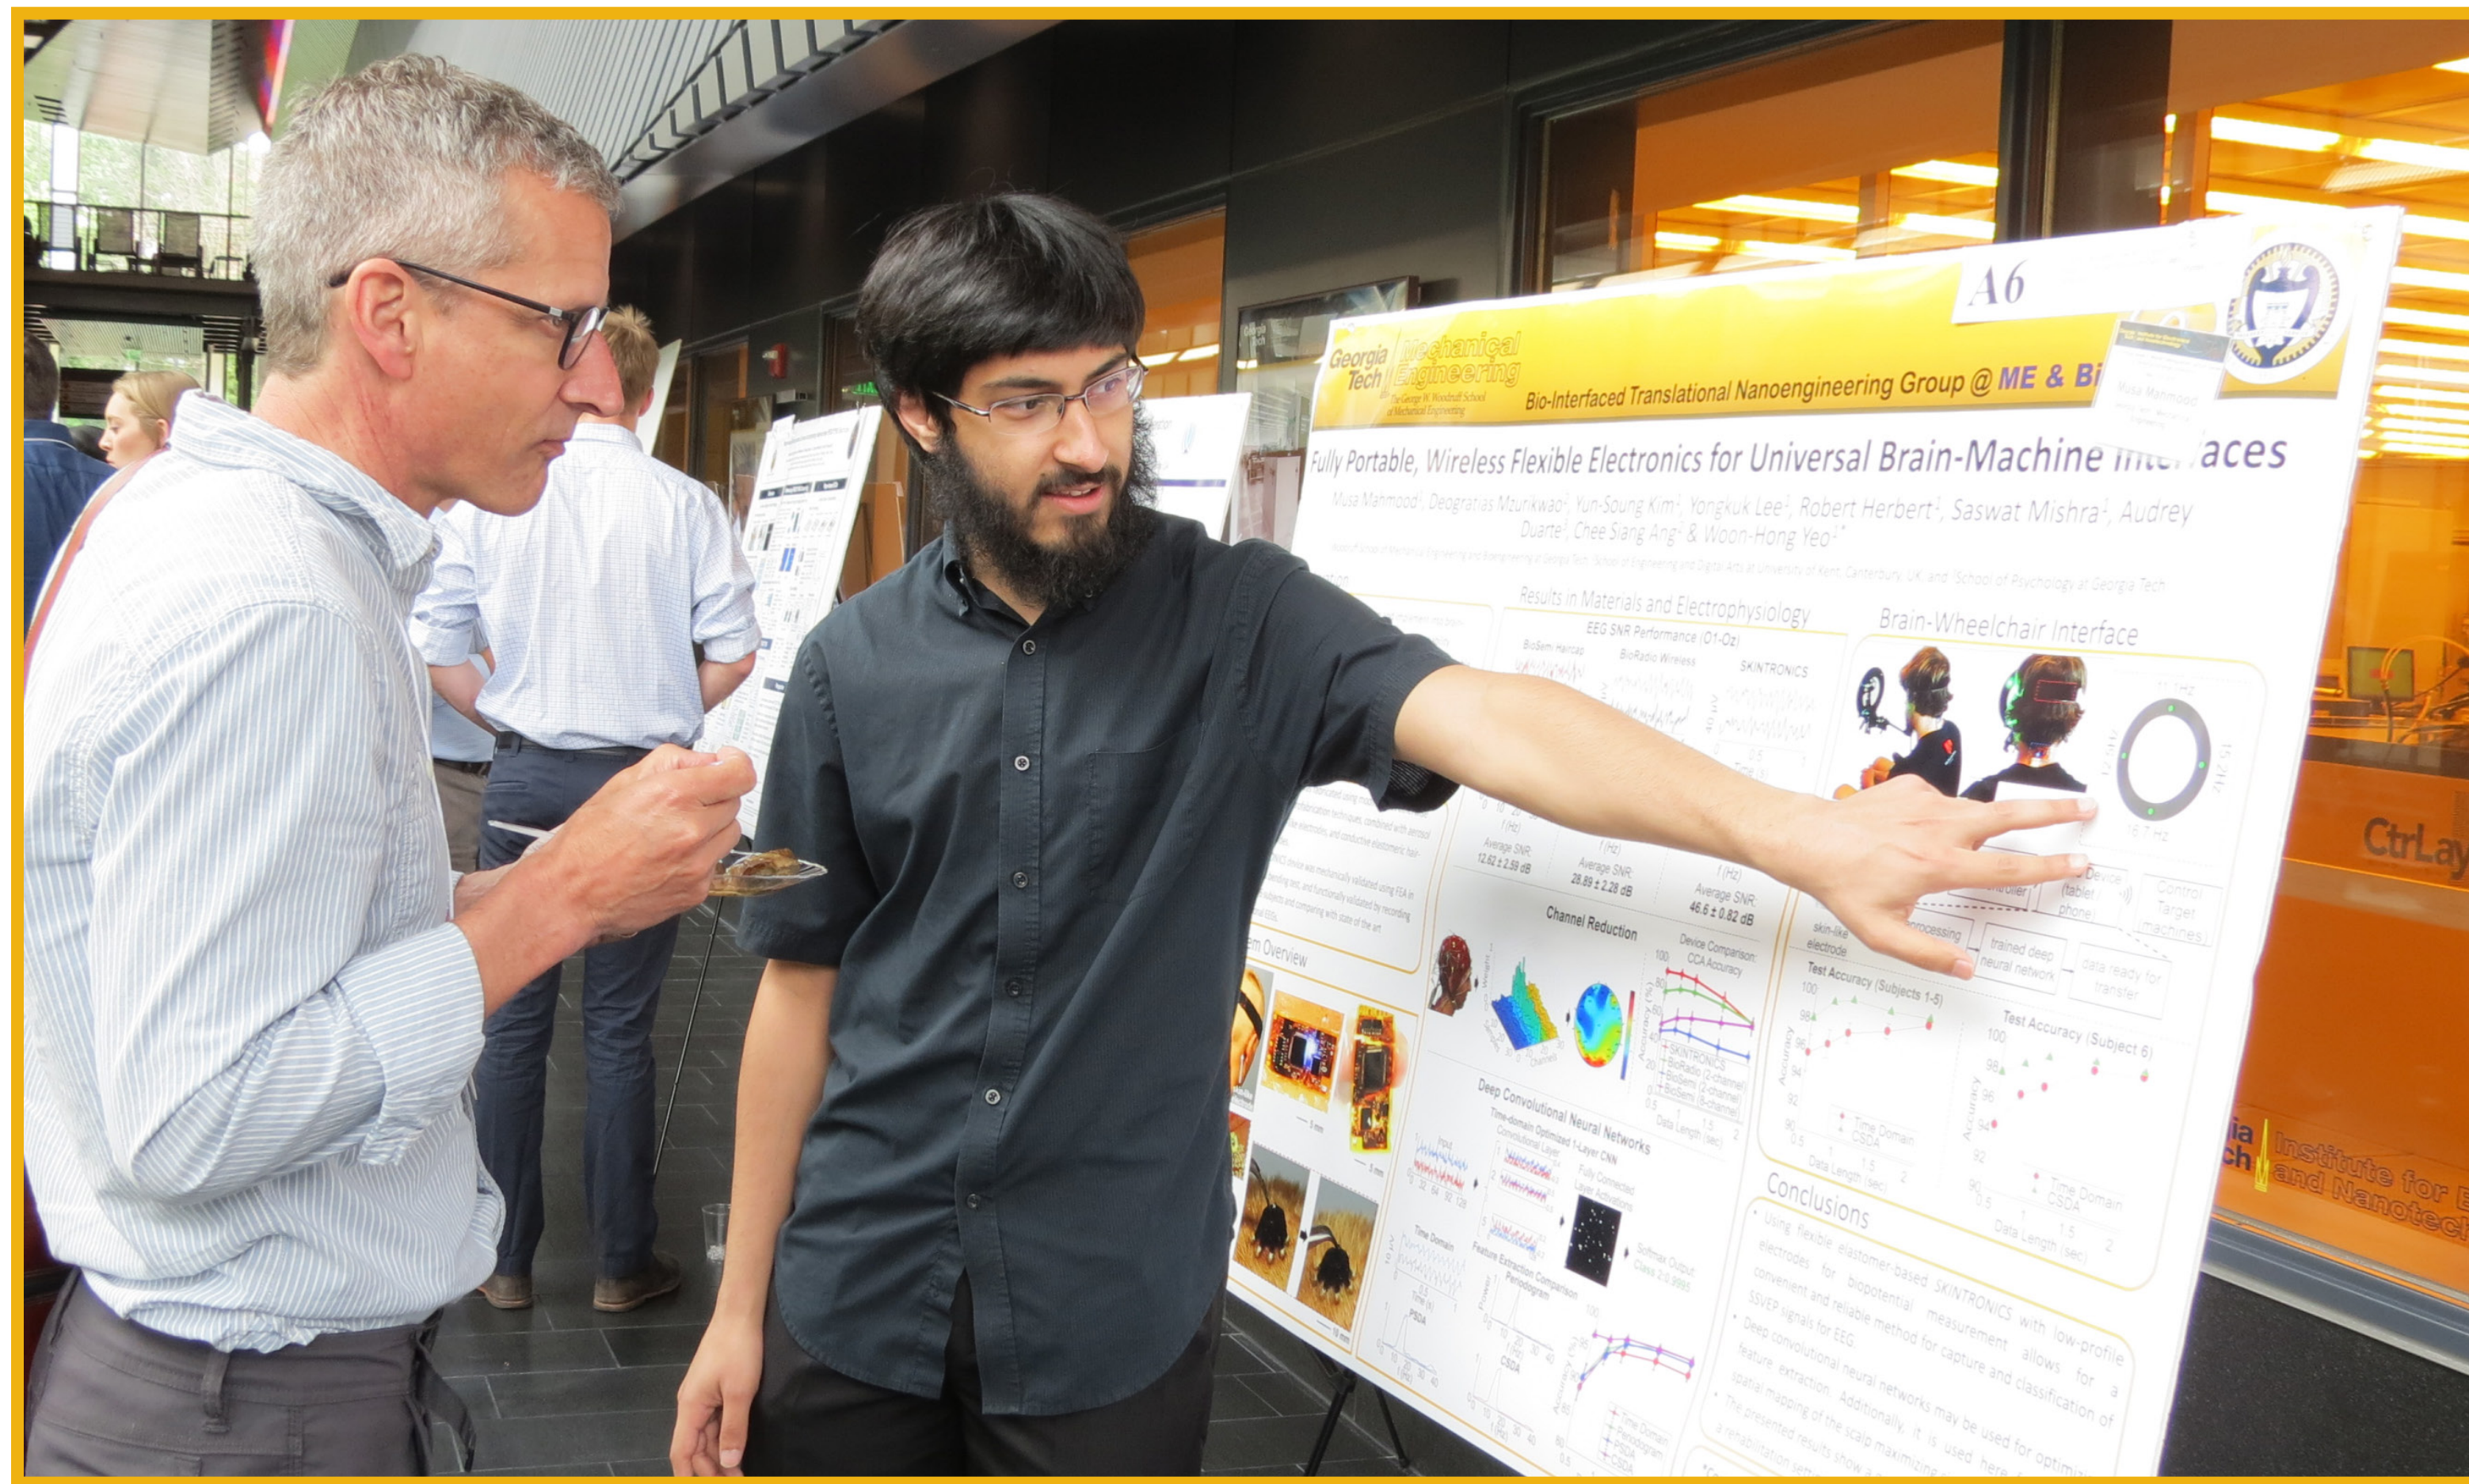

September 27th 2018, 12:00PM – 1:00 PM
Pettit Microelectronics Building | Room 102 A&B
791 Atlantic Drive | Atlanta GA | 30332

Are you doing research in nanotechnology?

Interested in building your network?

Giving back to the community?

Expanding your knowledge?

GRIN will support the nanotechnology community at Tech through student driven activities like hosting a seminar series, communicating your research to the community, inviting outside speakers, planning symposia ...

****lunch will be provided for the first 30 students who RSVP***

RSVP to Leslie O'Neill at
leslie.oneill@ien.gatech.edu
