Georgia Tech | Machine Learning

Spring Lecture Event

Thursday February 22, 2018

10am– 5pm in the Klaus atrium

Sanjeev Arora, Charles C. Fitzmorris
Professor of Computer Science
Princeton University

Joelle Pineau, associate professor of Computer
Science at McGill University and co-director
of the Reasoning and Learning Lab.

Please join the ML@GT center for our Spring Lecture Event. We will begin at 10 am with a light breakfast and a welcome from our Leadership Team, followed by various internal speakers.

After lunch we will have two distinguished lectures:
Sanjeev Arora of Princeton and Joelle Pineau of McGill University.

We will end the day with a reception at 4pm for our students and faculty to mingle and discuss the exciting things happening in the world of Machine Learning.

Please RVSP HERE for this lecture as food will be served
