

# ATL CleanTech Connect

## Join us for an energizing conversation on cleantech innovation, insight, and impact at the ATL CleanTech Connect Summer Spotlight!

This special edition will feature:

- **Spotlight on Energy IoT:** Hear from leading-edge startups and innovators transforming the energy landscape through smart, connected technologies.
- **Cox Cleantech Accelerator Update:** Get the latest on the Cox Cleantech Accelerator—an initiative empowering early-stage startups tackling climate change with bold, scalable solutions. Learn how this program is driving both environmental and economic impact across Georgia and the Southeast.
- **Clean Energy & Tax Incentives Chat:** Explore how federal and state tax incentives are fueling growth and innovation in the U.S. clean energy sector—and what it means for your business or startup.
